

✦ Just the Facts

Vital Tech News for RSSS in 2015-2016

✦ Schoology

Must use rss.schoology.com

- Staff Logins will be email name/password
- Example:
 - ◆ Returning teacher log-in name: doejs
 - ◆ New teacher log-in name: jane.doe

✦ Schoology

- Schoology Integrated with PowerSchool
 - ◆ You will have to set Schoology Gradebook to automatically OR manually send grades to PowerSchool Gradebook
- YOUR Class schedule will be under Courses
- **Date Driven: Students will not show in classes until the 2nd day of school. Students uploaded nightly to Schoology.

✦ Discovery Ed

- **Date Driven: Students will not show in classes until the 25th (2nd day of school)
- You will now see a Unique Class Name - No more renaming classes to assign assessments!
- Students removed from your class will no longer show on your class list

★ Stretch Break

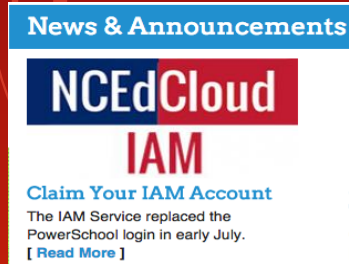

Seriously! It will HELP ;)

Remember...

- MUST Use rss.schoology.com
- No students in online classes til Day 2!

★ IAM Account

→ **VERY IMPORTANT!!**

→ New Login for PowerSchool & PowerTeacher

◆ For Employees AND Students!

★ IAM Account

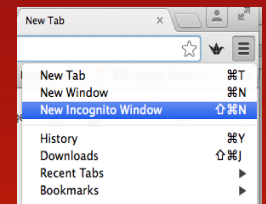

Did you set up YOUR account?

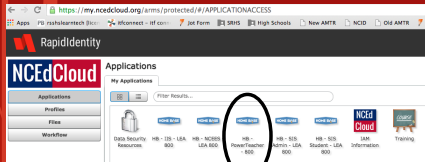

- Link on RSSS page to Claim Your Account (*email was sent in June*)
- There is a video on this link for HOW TO
- Be sure to select **Employee** and **CHECK** 'not a robot' in account setup

★ IAM Login and Browser

- Chrome works best
- **DO NOT BOOKMARK** - You **MUST** click the link **EVERY** time
- Gradebook shortcuts will no longer work
- Use incognito browsing
 - ◆ Click the menu in the top right corner and select New Incognito Window

★ IAM Teacher Accounts

→ Login Name is your
User ID number
(PowerSchool Number)

- You will pick **Power Teacher** from your Application Choices
- In Power School students will not show up until you search for them
- **Data Manager** can aid in password resets for teacher accounts

★ IAM Student Accounts

- **Heads Up - COMING SOON**
- Students **MUST** also claim accounts
- Students will need
 - ◆ Student ID, birthdate, grade, LEA (800)
- **Teachers** can reset passwords for **THEIR** assigned students

★ Brain Break

Time for a...

Dance Break!

Remember for a smooth first day -
Log-in and test your IAM account
BEFORE Day 1.

★ Google Accounts

- @rssd.org
- ALL Teachers AND Students have an account
- Use the link on the Homepage
- Student Log-in
 - ◆ lastname + firstinitial + middleinitial + last 3 # in student ID / lunch#
 - ◆ Ex: smithaj123
 - ◆ password - student ID or lunch #

★ Google Accounts

- @rssed.org
- Teacher Log-in
 - ◆ first.last@rssed.org Ex: andrew.smith@rssed.org
 - ◆ password - same e-mail password
- This Account also includes DRIVE access! Students could use this email to set up Apple ID Accounts, communicate with teachers, etc.
- It IS Filtered / MONITORED!

★ Teacher Webpage

→ Weebly

- ◆ Make sure that you update your LINKED Classroom Weebly Page!
- ◆ If you are a new teacher see your TF or Media Facilitator to get one set up ASAP

★ Network Updates

→ 3 Options under Network

- ◆ RSS WiFi
 - ALL RSS Devices should be on THIS network.
 - ANY Personal Devices ON this network subject to RSS ADMIN access. They have the power to completely WIPE a device. Yep! They are SERIOUS.
- ◆ TF Enroll
 - ONLY used for adding new devices to the network. Should NOT grab your computer this year.
- ◆ Guest
 - For ALL Personal Devices. Password: rssk12nc
 - For e-mail and browsing only - Can't TACS in
 - Teachers CAN Tier Up for unfiltered Access

★ Network Updates

→ Due to Network CHANGES...

- ◆ ALL Teachers AND Students will need to re-enroll
- ◆ Directions will be posted and shared
- ◆ Please do this on YOUR Teacher laptop AND with your Homeroom Students ASAP!
- ◆ Your laptop will work temporarily. Please run the enroll process to avoid losing network access!

★ RSS Teacher e-Mail

→ All Accounts the same as last year

- ◆ Employees can use either log-in
 - "andrew.smith" or "smithaj"

→ MALWARE on Teacher computers has caused MAJOR problems

- ◆ IF your computer has been infected it could automatically send out 1000's of e-mails. This not only affects YOU but it has the potential to place ALL RSS e-mail accounts on black lists with people like gmail.
- ◆ We now have placed a restriction on accounts so that you can't send over 100 e-mails OUT of RSS on a daily basis.
- ◆ IF your account is INFECTED it will be QUARANTINED for 72 hours so that they can repair the damage. This could also REQUIRE us to REIMAGE your laptop.
- ◆ BE CAREFUL! Run Adware Medic on a regular basis.

★ The END!

- Yay! THANKS for sticking with me!
- A Just the Facts Outline will be posted for your review if needed.
