

Online EOC Testing Prep

Install NCTEST (*testing application*)

Open Self Service

**What if a
student does
NOT have
Self Service?**

**Circle this
student's
name on your
roll sheet. We
will call them
to the Help
Desk to prep
their laptop for
testing.**

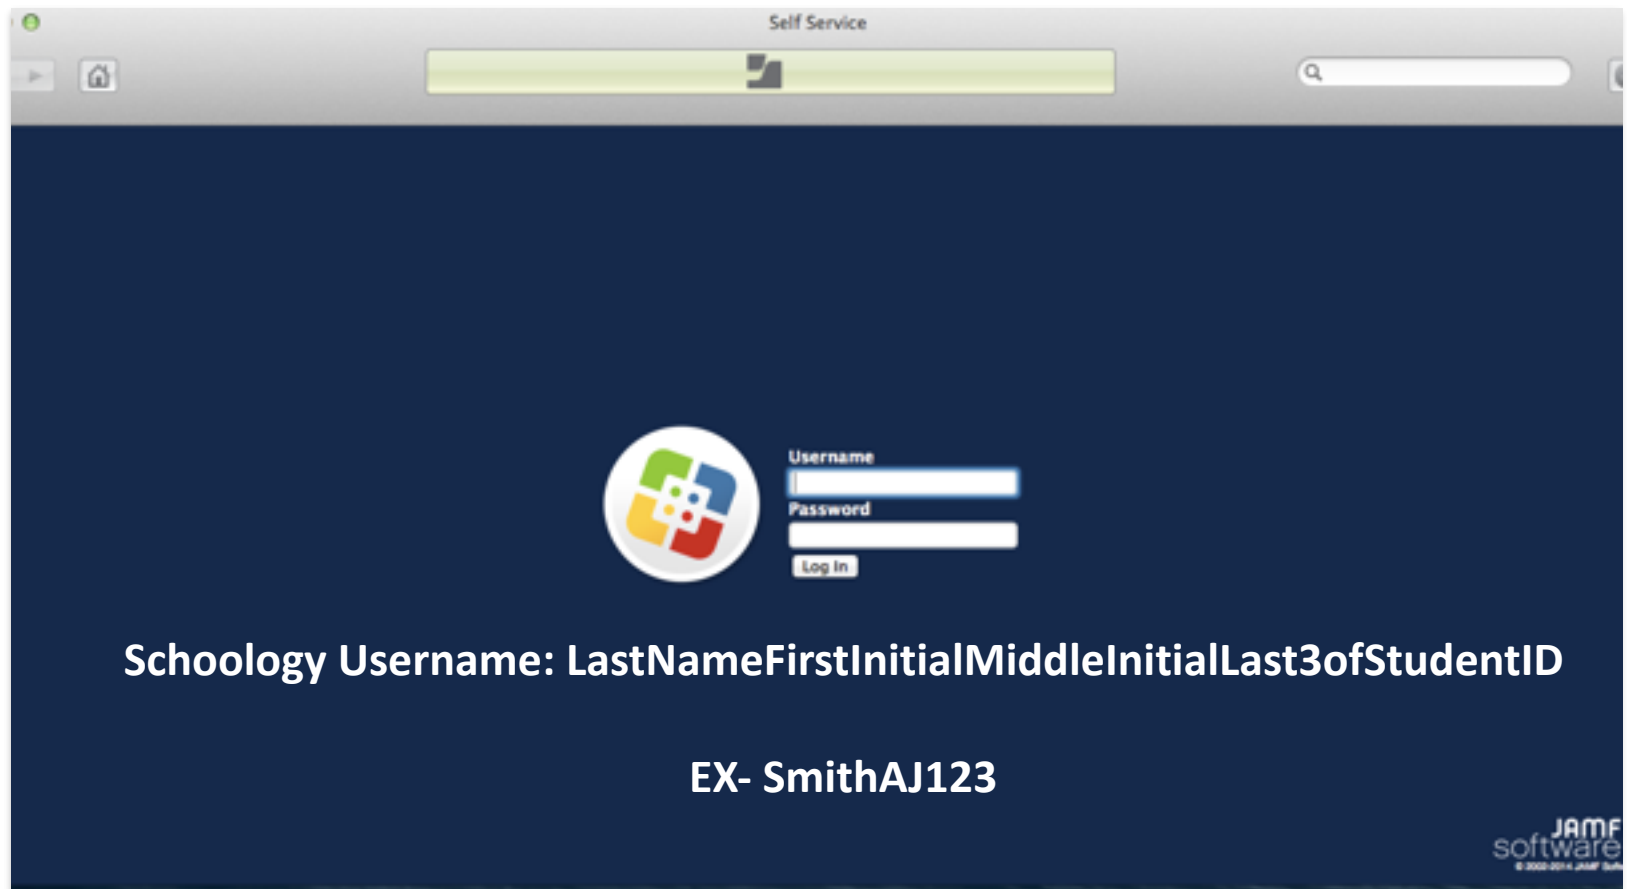

**What if *Self Service* can't
run the
install?**

Select:
Options then
All Applications
then pick
Self Service

it should install then!

JAMF software
© 2000-2014 JAMF Software, Inc.

Click **Install** under **NCTEST**

Click **Install** again

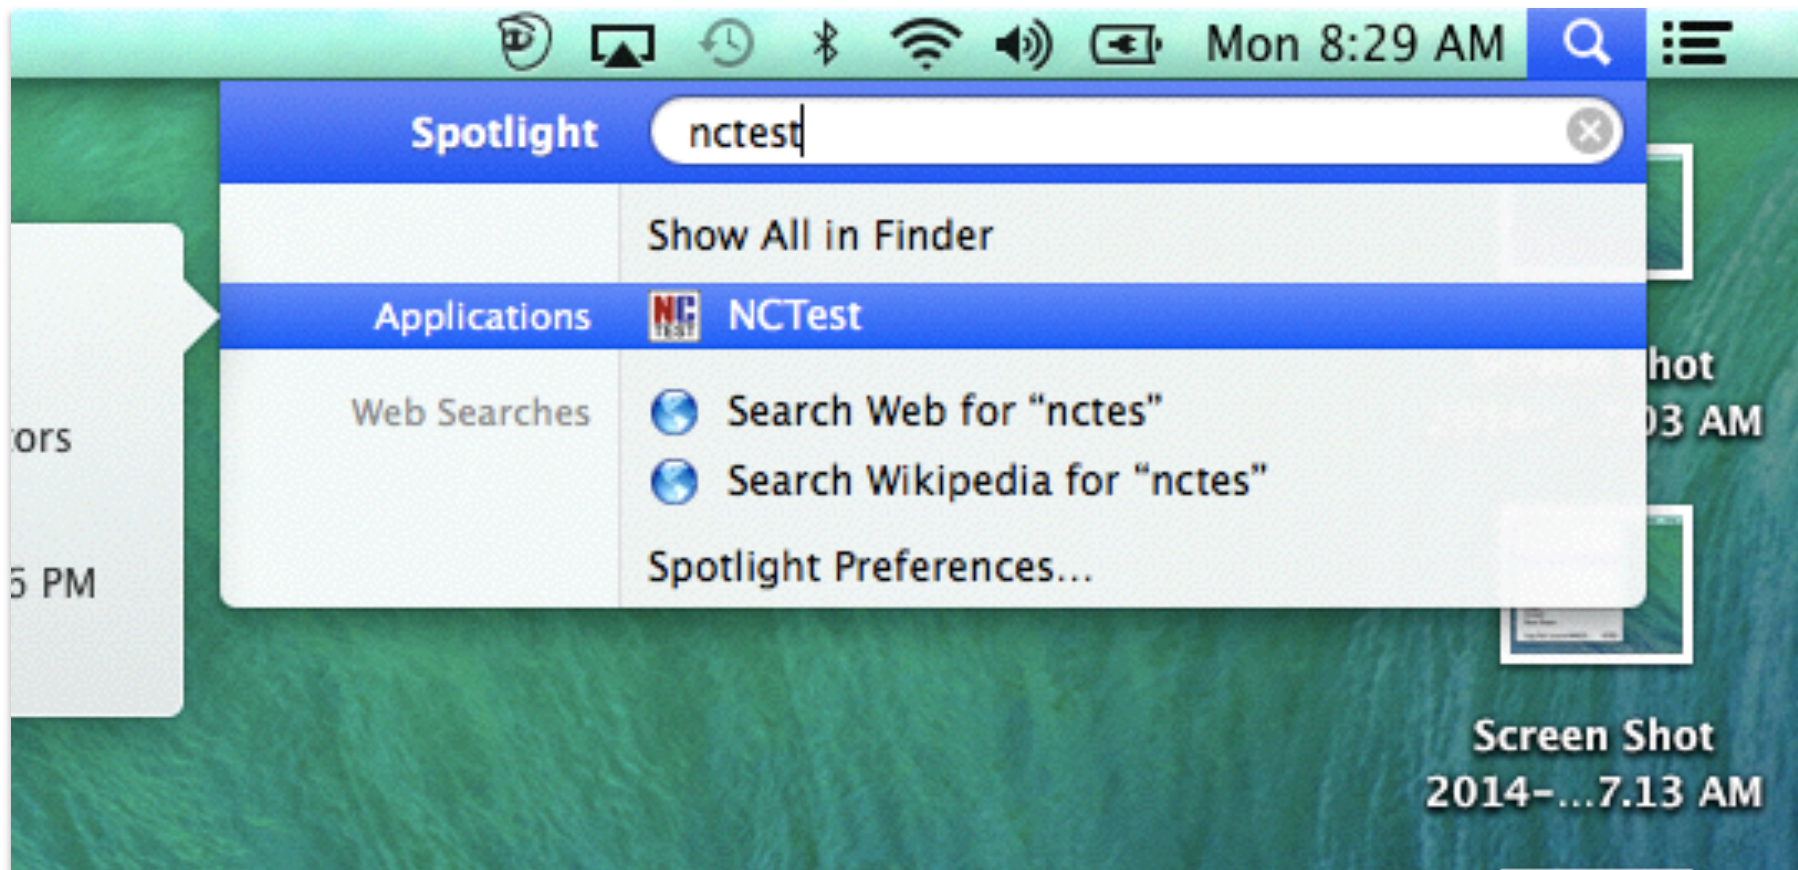

**What if I
get an
error?**

**Good News! It
actually might have
worked. Check to see
if the NC App is now
in the Applications
Folder
or
RESTART
your
computer and
TRY IT AGAIN!**

Search for NCTEST *to verify the install*

***IF NC Test is NOT in
the Applications
folder circle the
student's name on the
roll sheet.***

Computer Restart

Restart your computer

to save settings!

Good luck on your test!

Test Tutorial

1. Have ALL students Go into the hall
2. TEACHER will **Log-in** to **EACH** laptop with the **SECURE Testing Log-In**
3. Teacher will select **SKIP** on this initial Testing User Log-in
4. Students can come back in and open the **NCTest Application**

NCTEST Tutorial

**NCTEST
Tutorial**

***Students will select **Tutorial** and
Teacher will read Tutorial script provided
for ALL Testing Classes.**

Computer Restart

Restart your computer

****ALL students must restart!***

*****This will also log them OUT of test user.***

***Send Roll Sheet to Mrs. Wise
by the end of the Day Friday 1/5/17 so that we can begin calling
students to the Help Desk next week.***
